

LoPresti

The leading provider of aviation PERFORMANCE solutions

Be Envied

FIRST SATURDAY SEMINARS with Pancake Breakfast!

Feb 3 - George Sigler "Experiment in Survival"

As an officer & pilot in the U.S. Navy, George Sigler and a fellow U.S. Navy Pilot sailed across the Pacific from San Francisco to Hawaii on a rubber raft with no water and only 6 lbs of food as a test of the survival kit he developed to save lives at sea. Learn more at LoPresti

Mar 3 - Bill Peterson, "Superior Air Parts-At Last Something New"

Innovative designs and pioneering uses of advanced materials and manufacturing processes have allowed us to introduce significant improvements in durability, reliability and safety. Learn more at LoPresti

Apr 7 - Curt LoPresti "LoPrestiFury & Sun-N-Fun Preview"

Curt will give an in depth report on where we are on the LoPresti Fury project and a preview of what we will have at Sun-N-Fun.

9:30 AM - LoPresti Hanger (yellow hanger with blue trim)
Vero Beach Airport (KVRB) on the North Ramp
